

## CIRCLES SQUARED-Machine appliqué

This is a really fun machine appliquéd wall quilt. You will learn to make sharp points, smooth curves, perfect circles, straight and even stems and there is a little reverse appliqué for some added fun. The technique I teach is a prepared edge method using an invisible stitch. Come join me for a fun day of machine appliqué.

**PATTERN PLUS FEE:** \$30.00-includes pattern, Templar, transfer papers, circles, brush, handouts, stabilizer and more.
