

## DRAFTING APPLIQUÉ PATTERNS

You do not have to be an artist to learn how to design appliqué. You will learn to draft traditional appliqué blocks such as the Rose of Sharon and wreath blocks like the ones seen in my *Flowers and Friends* quilt. You will have so much fun learning to draft your own patterns. It is much easier than you think.

**Kit fee: \$8.00** (This is in addition to the items listed below)
