

HEART TO HEART SUPPLY LIST

This is a charming machine appliquéd wall quilt. You will learn to make sharp points, smooth curves, perfect circles and even stems. There is a little reverse appliqué for some added fun. The technique I teach is a prepared edge method using an invisible stitch. Come join me for an enjoyable day of machine appliquéd.

PATTERN PLUS FEE: \$25.00 Includes: pattern, Templar, transfer paper, brush, handouts, stabilizer, glue pen and more.

SUPPLIES:

- Rotary cutter board and ruler
 - Scissors for paper and fabric *
 - Sewing machine in good working order. Bring you best machine for the best results.
 - Open embroidery foot for your machine
 - Top or edge stitching machine foot or zipper foot. I recommend you bring all of your sewing machine feet and we'll determine which one works the best to make the stems.
